Here's one serious lap pool. Nestled on the shores of Sun Moon Lake, this heated pool is the longest swimming pool in Taiwan at 60 meters. It feels like you're swimming in the lake, and come February the surrounding trees erupt with pastel pink cherry blossom.

The Setai - South Beach

MIAMI, FLORIDA

"This Art Basel Miami fave combines the city's Deco past with modern Asian style: sultry dark décor accessorised by fantastic ocean views. However, thankfully, it's not an example of style over substance, with excellent amenities and super staff who somehow just *know* when to be where (especially the concierge)... Right in the thick of the Miami scene, but inside it retains a cool, calm and collected vibe. Outside: three fab pools with comfy shaded cabanas and direct beach access -- what more do you need in Miami?! Best bet for South Beach."

-- *Suzanne* (Date Experienced: October, 2010)

Great for

Beach runs, great restaurants nearby, a lively bar/club scene, fantastic spa & gym; a top-class and relaxing stay that still stays very cool.

With whom

A sexy lover or group of friends -- can either be romantic or funky -- or both! Someone you know well -- the bathrooms are actually *in* the bedrooms...
